

*Imagine
what might happen
if you took the Challenge
to read the Bible
together with others at St. Paul's
for 90 Days.*

This reading plan lists a brief Scripture passage in the Bible that will take no more than 5 minutes for each day and cover 90 of the most important stories from the entire Bible.

To look up a text **passage**, locate the abbreviated book name in the table of contents of your Bible. Look for the chapter in a large number, and then the verses following in small numbers. For example: 1 Co 15:35-58 is chapter 15 in Paul's first letter to the Corinthians, verses 35 to 58.

The Bible is God's Word speaking to us through the Holy Spirit in our reading of its words. It helps to read out loud. Listen for God's message of love, and consider how you can respond to that gift in your life.

Helpful questions for **reflection** include: What is God's saying to me in this passage? What is challenging; and what is encouraging? How can this word guide me today?

If you fall behind just skip the missed readings and pick up on the current day; that way you won't have to feel guilty or overwhelmed, and you can always go back and catch up later.

Share your insights, questions and experience with others during the next three months – in personal conversations on St. Paul's Facebook page, in worship, or through our Flock Talk newsletter.

"I have covenanted with my Lord that he should not send me visions or dreams or even angels. I am content with this gift of the Scriptures, which teaches and supplies all that is necessary, both for this life and that which is to come."
